

**WANT
TO TALK?**

**WE'RE HERE TO
LISTEN AND
SUPPORT YOU.**

Under 18 and want to talk?

Sometimes talking about how you feel isn't easy.

We want to invite you to our emotional well-being drop-in! This is a safe space for you to take some time out to think, hang out and talk when you're ready. Whatever the problem is, we're ready to listen and talk it through. There's no judgement, no pressure and no appointments – just drop-in.

Anyone can come and talk to us, as long as you're between 5 and 18 years old, or up to 25 years old if you're a care leaver. It doesn't matter where you live.

Where to find us
