Information about First Holy Communion

Saturday 21st June at 12noon

Dear parents,

Below is the information regarding the celebration of First Holy Communion. Mrs Finnegan and Mrs Turner can answer questions at the final meeting on Wednesday 11th June, should you have any.

- Y3 children to arrive at church no later than 11:30, but earlier if you would like to take photos beforehand.
- Children go to meeting room downstairs and family members to go into church. Staff will be in church to welcome you and guide your children to the room.
- **This year, due to numbers, each Y3 child making their Communion has been allocated a bench with their family.**
- Benches will have children's names on so please sit in allocated areas. Staff will guide you to these benches.
- Additional family members will need to find alternative seating around the church.
- Staff will dress the church on Friday, ready for the Mass the following morning.
- Father has requested the following:
    - Y3 children sit on the end of the pew where they did in the practice.
    - **No photos or videos to be taken by parents or family members during the Mass.**

- As part of our Servant Leadership, parent volunteers will be needed for cleaning the church in the week before the Mass. Please liaise with Father about day and time that is suitable to do this.

- If parents would like to arrange the flowers to decorate the church, they are welcome to do so when church is open on Friday.

- On Thursday 26th June at 9am, Y3 will lead their Mass of celebration and have their Communion breakfast as a class.

- Parents and family members are welcome to join us for the Mass.

- Children can come to school in their Communion clothes (please bring uniform for children to change into).

Best wishes

Claire Morgan
