We Will Go Out

We will go out as disciples,
we will go out spreading love!
We will go out; each generation,
to tell the whole world that God is love!

We will go out as sons and daughters,
we will go out - you and me!
We will go out followers of Jesus
to tell the people that we are free!

Come and join with us; we are brothers and sisters.
Come and join with us, as we go out into the world!
Let's go and spread the news to each and every nation,
sharing love and joy, for we are following the Lord!

We will go out as disciples,
we will go out spreading love!
We will go out; each generation,
to tell the whole world that God is love!

We will go out as sons and daughters,
we will go out - you and me!
We will go out followers of Jesus
to tell the people that we are free!

Come and join with us; we are brothers and sisters.
Come and join with us, as we go out into the world!
Let's go and spread the news to each and every nation,
sharing love and joy, for we are following the Lord!

We will go out!
We will go out!

We will go out as disciples,
we will go out spreading love!
We will go out; each generation,
to tell the whole world that God is love!

Come and join with us; we are brothers and sisters.
Come and join with us, as we go out into the world!
Let's go and spread the news to each and every nation,
sharing love and joy, for we are following the Lord! ***WE WILL GO OUT!***
